SCOTTISH CASTLES & ISLES TRIP - WOW!

Twenty-three SAS members and/or family and friends travelled together April 20 - May 5 on a wonderful guided tour of beautiful Scotland. The group started out by enjoying two days in Edinburgh followed by a very full itinerary which included: four ferry rides to several isles, a stream train ride from Fort William to Mallaig as well as a funicular ride up the Cairngorm Mountains, visits to 13 castles, numerous museums, 3 palaces, several abbey and cairns, Culloden Battlefield, a distillery, St. Andrews, and much more. A hearty Scottish breakfast was included every day (and, yes, there was haggis) and eight delicious dinners were also a part of the package. The accommodations were impressive hotels (some of which were quite historic). Some of the pictures in this issue were taken on the trip. The CIE tour guide and coach drivers were both very professional and entertaining. Many thanks to Picture Perfect Travel and, especially to our Gale Hoff, for all their efforts in making this trip one to remember!

BELTANE POTLUCK

May 29 was the date of this year's SAS observance of Beltane. Approximately 35 members enjoyed a potluck dinner at The Manor in Bettendorf. Bill Hawthorne led a short program on the significance of Beltane to the Scots and what it meant related to the birth of the new season. Each member got to experience some personal pride by picking up a piece of wood and dropping it in a rather modern version of a "cauldron" while calling out the name of his/her clan.

SCOTTISH GOLF DAY

Highland Springs Golf course was the location on June 10 for a successful golf tournament sponsored by SAS. Over 20 teams (many of whom wore their kilts!) participated in this annual popular event which serves as a fund raiser to provide resources for SAS to contribute in various ways to promote Scottish heritage in the area as well as supporting other worthy causes. Numerous businesses and/or individuals sponsored activities such as Hole in One, Longest Drive, etc. Our thanks to Bierstube, Dan Dolan, Green Family Hundai, Major Sports and to the numerous other sponsors whose donations helped make this such a success. SAS Board Member, Darren Low, along with the help of several other Board Members and volunteers, spent many hours organising this day.

SAS REPRESENTED AGAIN IN JDC GOLF TOURNAMENT

For many years SAS has carried flags and provided bagpipe music for the last day of the tournament. This year was no exception. Derek Grant piped as Jim Scott, Darren Low, and Bill Sterba processed behind him down the 18th green both at the beginning of the day and after the tournament was complete. Every year Ty Thomson has been instrumental in making sure these arrangements took place.

Craig Ferguson is an actor, writer and comedian, who as the host of CBS' "The Late Late Show with Craig Ferguson" set all-time viewer records during his ten-year run as host, which earned him a Primetime Emmy nomination and the 2009 Peabody Award for Excellence in Broadcasting for his interview with Archbishop Desmond Tutu. Ferguson was also the host of the syndicated game show, "Celebrity Name Game," in which he was awarded the Daytime Emmy for Outstanding Game Show Host two years in a row. Ferguson is also an acclaimed standup comedian who has earned two Grammy nominations for Best Comedy Album on behalf of his original standup recordings, "Craig Ferguson: Just Being Honest" and "I'm Here to Help." He has performed to sold out theaters all over the country, including New York City's Carnegie Hall and Radio City Music Hall. He also received a Grammy nomination for Best Spoken Word on behalf of his New York Times bestselling memoir American On Purpose. This summer, Ferguson is filming the movie "Love Me To Death" in his native Scotland alongside Kathie Lee Gifford, who wrote the film. Ferguson recently concluded his wildly popular daily SiriusXM program "The Craig Ferguson Show."

"What the world needs now more than ever is an ageing unhinged vagrant travelling from place to place ranting nonsense into a microphone," said Ferguson.

The show, which will be 100% new material, will never be recorded for any form of broadcast or streaming outlet given Mr. Ferguson's new (ironically) Luddite mistrust of digital technology.

FOR MATURE AUDIENCES ONLY.
